WORK EXPERIENCE

Student Assistant, Center for Technology and Education, Sonoma State University

October 2020 - Present

Angela Follenvaider (HR / Manager) -
follenva@sonoma.edu

Ashley Klein (Direct Supervisor) -
kleinas@sonoma.edu

Assisted in adding accessibility to a wide range of documents and files. File types remediated range from pdfs, raw HTML, audio and video files of multiple types, and content within the University's Learning Management System. Worked closely with a wide range of professors and a small team to meet deadlines. Attended multiple workshops

EDUCATION

Cuesta College

involving accessibility features within software and how those features are implemented.

and Assembly

Shift Lead, 805 Beach Breaks

March 2018 - June 2019

Christina Watts (General Manager/HR) -
(910) 515-0089

Daniel Fried (General Manager) -
(910) 616-7496

Job duties include, but are not limited to: handling and selling products, providing knowledge to patients and customers, supervising a staff of 4 to 6 individuals on a daily basis, keeping three online menus updated at all times with all product information, updating our in store displays with proper information and product knowledge, working with inventory to maintain stock of product on the sales floor, covering reception when needed and retaining all information and skills needed to do so, including verifying patient and customer identification and signing up new members, doing write-ups on up-and-coming products to provide information to higher management such as packaging, ease of use, and overall quality, being extremely proficient with the hardware available and a variety of platforms, and maintaining a positive attitude and work environment.

All of this entails very thorough knowledge retention of hundreds of products, price points, and comparison to other products. This was the very first store of its kind in San Luis Obispo County. We were the "pioneers" of the industry in this area, and during my time here we were required to uphold only the most professional standards in terms of customer service and retention.

UberX Driver

August 2016 - March 2018

Job duties include driving customers to and from various locations in a professional manner, acting as a representative from Uber and being able to effectively manage time and maintain knowledge of city streets and effective routing.

Delivery Expert, Domino's Pizza

San Luis Obispo and Arroyo Grande, California
December 2013 - October 2015

Carlos Alvarado (General Manager) - (805) 481-3171
Karisma Traughber (General Manager) - (805) 481-3171

Job duties include prep of all food items required, taking phone calls in a professional manner, serving walk-in customers, delivering orders in an efficient and timely fashion, retaining knowledge of dispatch information, helping to assign myself timely deliveries and coordinate with other drivers and management to deliver items in accordance with time restraints, and other daily duties required to maintain smooth operation of the store.

Event Production, Freestyle Event Services

San Luis Obispo, California -September 2013 - December 2014

Liz Netherton (Manager) - (805) 613-7339

Job duties include, but are not limited to: Setting up/tearing down/managing multi-million dollars worth of equipment from large scale PA and intelligent lighting to truss structures and architecturally aesthetic gear. I have participated in all sorts of events from large scale productions such as Savor the Central Coast all the way down to small private parties and corporate events. I have been able to work with soundboards and intelligent lighting MIDI controllers, furthering my knowledge and skills in the industry. On top of this, I have also gained knowledge in signal flow, power distribution, and graphic equalization.
